

# Get a 1-2 Punch from the #1 Liquid & Granular Baits

Triple Shot Bait stations provide long-term baiting. Simply place in landscapes, gardens, under decks, around trees/posts or anywhere else you need protection from pests. These large-volume stations provide enough bait to last several months in most cases.

The Triple Shot -TNT bait station gives pests food variety with two of the #1-selling baits in the U.S. in a single convenient package. The bait station contains two compartments filled with Terro<sup>®</sup>-PCO liquid and one containing Niban<sup>®</sup> granular bait. Both baits use borates for a minimal impact to the environment.

- Prebait New Accounts Reduces Call Backs Liquid, Granules, & Gel
- Great for Quarterly Baiting Argentine Infestations Carpenter Ant Baiting
- Hard-to-Reach Areas Hang or Wrap on Post Weatherproof Disposable Packaging

Wrap around trees & posts.

Partially bury in landscape.

Place in garages or sheds.

Place underneath decks.

## **Liquid Ant Bait Stations**

## Pre-Filled – Ready-to-Use • No Drips, Spill or Mess • For Control of Sweet Eating Ants

#### ACTIVE INGREDIENT:

Sodium Tetraborate Decahydrate (Borax)	5.40%
OTHER INGREDIENTS	94.60%
TOTAL1	00.00%

EPA Reg. No. 149-8-64405 EPA Est. 87127-TN-001

## KEEP OUT OF REACH OF CHILDREN CAUTION

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**FOR USE IN AND AROUND:** Homes, Hospitals, Restaurants, Apartments, Grocery Stores, Institutional Buildings, Schools, Cafeterias, Warehouses, Storage Areas, Food Processing Plants, Mobile Homes, Boats, Military Bases, Theaters, Nursing Homes and on Military, Commercial and Cruise Ships.

ATTRACTS AND KILLS ALL COMMON HOUSEHOLD ANTS INCLUDING: Argentine ants, Ghost ants, Cornfield ants, Pavement ants, Acrobat ants, White-footed ants, Little black ants, Odorous house ants, Crazy ants, Big-headed ants and other sweeteating ants. Ants will enter, feed and return to the nest where they will pass on the Terro-PCO Liquid Ant Bait to the rest of the colony.

Hold the pre-filled bait station level and peel back seal to expose entry point to bait. Place baits, label side up, near ant trails or close to where ants are numerous. Place additional baits anywhere ants may enter. Monitor regularly for activity but do not interfere with the ants or baits. Replace with additional baits when depleted.

Once ants are controlled, replace baits every three months to keep ants from returning.

**DO NOT USE** in edible product areas of food handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed. Avoid contamination of feed and foodstuffs. Place bait in areas inaccessible to children and pets.

## STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

**STORAGE:** Store in a cool dry place. Do not store where children or animals may gain access. **PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Supermarkets, Theaters, Trains, Trucks, Utilities (such as in-ground utility boxes, pedestal boxes, above-ground transformers), Vending Machines, Warehouses, Yachts, Zoos and other Structures.

	First Aid
lf in Eyes:	<ul> <li>Hold eye open and rinse slowly and gently with water for 15 - 20 minutes.</li> <li>Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes.</li> <li>Call a poison control center or doctor for treatment advice.</li> </ul>
lf on Skin:	<ul> <li>Take off contaminated clothing.</li> <li>Immediately rinse with plenty of water for 15 – 20 minutes.</li> <li>Call a poison control center or doctor for treatment advice.</li> </ul>
	he product container or label with you when calling a son control center or doctor or going for treatment.

#### PRECAUTIONARY STATEMENTS Hazards to Humans & Domestic Animals

**CAUTION:** Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or

clothing. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

#### Personal Protective Equipment (PPE)

Applicators and handlers must wear: Long-sleeved shirt and long pants; chemical-resistant or waterproof gloves; and shoes plus socks. Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables are given, use detergent and hot water.

#### **Environmental Hazards**

Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high-water mark. Do not contaminate water when disposing of equipment washwaters or rinsate.

#### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### **GENERAL INFORMATION**

This product is a ready-to-use, weather/moistureresistant bait that controls and kills Ants, Cockroaches, Earwigs and Silverfish, specifically: **ANTS**: Argentine, Carpenter, Thief, Pharaoh, Little Black, Pavement, Odorous House and Crazy Ants. **COCKROACHES**: Asian, American, Brown, Brown Banded, Smokey Brown, German and Oriental Cockroaches. **EUROPEAN EARWIGS**.

Do not contaminate this product with other pesticides. If this product becomes contaminated with another pesticide it will lose its effectiveness. Do not apply directly to food and avoid contamination of feed and foodstuff. In commercial food handling facilities, cover or remove any food during application. In food handling and other areas, record the number and location of bait stations. This product is designed to be used as a residual treatment in an Integrated Pest Management program incorporating good sanitation practices. Do not treat pets with this product. Place stations in areas accessible to insects but inaccessible to children and pets.

#### APPLICATION INSTRUCTIONS

TO CONTROL AND KILL ANTS (except fire ants), COCKROACHES, EARWIGS AND SILVERFISH WITHIN AND AROUND THE EXTERIOR OF STRUCTURES: Hold the pre-filled bait station level and peel seal to expose entry point to bait. Monitor bait station and replace station when bait is depleted or every three months. To prevent reinfestation and where infestation is great, maintain an uninterrupted supply of bait. For Ants (except fire ants): Outdoors: Place bait stations near ant trails and areas where ants may enter structures. Place enough stations to sufficiently control the ant population. Indoors: Place stations near ant activity (for example, along baseboards, in closets, behind or in cabinets, etc.). For Cockroaches and Other Listed Pests: Outdoors: Place bait station near locations of pest sightings and areas where pests may find harborage or gain entry into the structures. Indoors: Place stations where pests or their signs have been seen or observed (for example, in attics, in cabinets, behind bookshelves, etc.).

#### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Store in a dry place. Do not store above 100°F or where children or animals may gain access. **Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. **Container Disposal:** Non-refillable container; do not reuse or refill this container. Offer container for recycling if available; otherwise dispose of empty container in a sanitary landfill or by incineration.

#### Warranty Disclaimer

To the extent not prohibited by applicable law, Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. To the extent not prohibited by applicable law, **MANUFACTURER MAKES NO OTHER** 

#### EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.

#### Inherent Risks of Use

The directions for use are believed to be adequate and must be carefully followed. It is impossible to eliminate all risks associated with use of this product. Lack of performance or other unintended consequences may result because of such factors as use of the product contrary to label instructions, abnormal conditions, the presence of other materials, climatic conditions or the manner of application, all of which are beyond the control of the Manufacturer. To the extent not prohibited by applicable law, the buyer/user assumes all such risks.

#### **Limitation of Remedies**

To the extent not prohibited by applicable law the exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories) shall be limited to, at Manufacturer's election, one of the following:

- 1. Refund of purchase price paid by buyer or user for product bought, or
- 2. Replacement of amount of product used.

To the extent not prohibited by applicable law: a) Manufacturer shall not be liable for losses or damages resulting from handling or use of this product unless Manufacturer is promptly notified of such loss or damage NO CASE writina: and b) IN SHALL in MANUFACTURER BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES OR LOSSES, INCLUDING WITHOUT LIMIT, HEALTH RELATED DAMAGES OR INJURIES.

The terms of this **Warranty Disclaimer** and **Limitation** of **Remedies** cannot be varied by any written or verbal statements or agreements. No employee or sales agent of Manufacturer or the seller is authorized to vary or exceed the terms of this **Warranty Disclaimer** or **Limitation of Remedies** in any manner.
